

*New* **STAR-MAX<sup>®</sup> LAVA ROCK  
GAS CHAR-BROILERS**  
**Models 6015CBF, 6024CBF, 6036CBF & 6048CBF**

**Features/Benefits:**

- ★ Star-Max<sup>®</sup> lava rock gas char-broilers are designed for the most demanding foodservice applications. Star-Max char-broilers deliver maximum performance and provide years of operation.
- ★ Available in 15", 24", 36" and 48" widths to fit many foodservice operation space requirements.
- ★ *NEW* longer lasting, heavy-duty metal knobs.
- ★ Designed with high performance 40,000 BTU H-style cast iron burners every 12" of width. Cast iron burners provide excellent broiling performance, better heat distribution and maximum sectional control.
- ★ Heavy-duty cast iron grates can be individually positioned (flat or slanted) to accommodate a variety of broiling needs. Grates are reversible with a thin side for searing and a thick side for more delicate menu items.
- ★ Natural lava rock briquettes provide superior heat distribution and vaporize drippings.
- ★ Stainless steel, 2-3/4" high tapered splash guard provides maximum protection against grease and spills.
- ★ Large capacity stainless steel water pan for easy clean up.
- ★ Cool-to-the-touch stainless steel bull nose front provides knob protection and comfortable work zone.
- ★ Gas convertible in the field with conversion kit supplied with each char-broiler. Units are shipped Natural Gas.
- ★ Double wall construction and enclosed bottom helps reduce heat loss.
- ★ Heavy-duty 4" inch adjustable legs to match the height of other Star-Max equipment in your line.

**Model 6036CBF**

**Applications:**

Star-Max<sup>®</sup> lava rock char-broilers are designed for high volume and reliability. Whether it's chicken, hamburger, steak, shish kabobs or any other items, Star's countertop char-broiler will fulfill your menu requirements.

**Quality Construction:**

Star-Max<sup>®</sup> line of lava rock char-broilers feature stainless steel cool to the touch front panel, bull nose, drip pan, splash guard, and grease trough. Double wall aluminized steel side panels with cast iron burners every 12 inches, adjustable valves and standing pilot are standard. Cooking surface consists of heavy duty, cast iron grates adjustable to flat or slanted positions. Can be converted to radiant style in the field.

*New*

**Warranty:**

Star-Max<sup>®</sup> lava rock char-broilers are covered by Star's **TWO YEAR** parts and labor warranty.
